CAD MODEL CONFIDENTIALITY AGREEMENT

This promise of confidentiality is entered into by _____ (hereinafter referred to as "Customer") as a condition for the release, by Autoquip Corporation (hereinafter referred to as "Autoquip") to Customer, of computer data files that contain information proprietary to Autoquip concerning Project or Lift Model named _____.

These files can be provided by Autoquip via Email, Website link, or on Compact Disk in the following formats (**check desired format – and provide desired software release level**):

"DWG" – for use with Autocad, Release _____

"SLDPRT" or "SLDDRW" – for use with SolidWorks, Release _____

"IGES" or "STEP" or "SAT" – for use with other 3D

"DXF" – standard drawing exchange format

Other _____

The Purpose of this document is to assure the complete confidentiality of any and all such information divulged by Autoquip to Customer.

Customer acknowledges that said information is revealed for Customer reference only and upon the express condition that customer will not disclose same to any person or entity, or alter its content, without the express prior written consent of Autoquip.

This promise of confidentiality shall remain in full force and effect until and unless superseded by another agreement between Autoquip and Customer, and shall extend to Customer's successors and assigns.
